WHAT IS THE GROUP PARKING DEBIT CARD?

The **Group Parking Debit Card** provides you with a convenient way to pay daily parking fees, without having to buy a monthly parking pass and without the hassle of having to carry cash. The cards do not expire.

CONVENIENT

- ◆ With the **Parking Card** you can park at the **CONVENTION CENTER MAIN GARAGE** or at **FREEWAY PARK GARAGE** as frequently as you want. You can take the bus some days and park on the days that you have appointments, need to pick up the kids or just need to escape from the office early!
- ◆ Freeway access to and from the garages is simple and convenient! The garages are located 2-3 blocks away from two different sets of on-ramps leading both north and southbound. Unlike many of the downtown parking facilities, we do not need a police officer to get traffic moving out of our garage!
- ◆ With our covered parking you can follow a walkway that leads through the Convention Center to Rainier Square, without having to stop at a single traffic light.
